Call to Order/Welcome			Justine Clark (7:00 PM)	
Devotion/ Blessing			The reading for this week is Romans Ch. 12. After being on CPC - how do we hear these words (which were read when we were installed)? Many find use for the talents given to us. We are impressed with seeing all the workings of the church from this point of view. Ministry happens in slow moments; sometimes there is no need to rush.	
Minutes of Last Meeting-Approval for Accuracy			1st: Chuck, 2nd: John, Approved.	
Treasurer’s report – Diane Stoehr			The report was sent out. Expenses were above income. We had more campers this year. Attendance seems light this summer. 1st: John, 2nd: Sue, approved.	
Pastor’s Report - Pr. Dave			Pastor Dave led his final preaching cohort session. He also had his last coaching session for the 4 point program in Somerset. Book study was awesome - well attended, good conversation. More of that kind of study could be popular. He finished Leadership in Difficult Times, a seminary course. He performed a house blessing for the McClure’s. Pastor Sharon Erb’s service and viewing were well attended. It was personally difficult because of ties to her and her family.	
<u>Board Reports</u>				
Children, Youth & Family- Adam Naugle		“Outdoor night,” originally scheduled for Canoe Creek, was held in the church due to weather and had a good turnout. Cabin camp was good - 4 kids from church were in Adam’s cabin. At Family Camp he led the children. A group from St. David’s (with Hannah from Sequanota)is coming with us to youth gathering.		
Adult – Ruth Lucey		The Blood Drive occurred July 24, 11:30-5:00. There were 11 donors.		
Worship – Deb Bunnell		We meet this coming Thursday to see about objects in the sanctuary that mat need replaced. Paraments are being worked on for the white seasons - Easter and Christmas.		
Finance – Diane Stoehr		No report.		

Property – Mike Jones	The 5 yr. plan is coming soon. Bids for the parsonage are coming. On the new outside steps, there is puddling on one step from the rain. The contractor will fix it so it drains off the step.
Stewardship	No report.
Continuous Church Improvement – John Mancinelli	No report.
Communication – Chuck Kormanski	The board overhauled the website. There are brand new pictures, and changes in wording. Bulletin boards will be updated. The Advent Devotional theme is “It’s a Wonderful Life.” There are numerous subjects (in a reference book we have) in the movie for spiritual exploration. We can schedule showings of the movie in the theatre room, maybe at several different times.
Outreach – LeeAnn Lightner	The board met on Tuesday. Bridge of Hope is getting close to kicking off, although there is still no family. Training is done. God’s Work Our Hands is rejuvenating the flower beds at the Lutheran Home. Food bags were made and delivered to Hillcrest Apartments. Hillcrest can be a mission field for Zion. They are close by and have needs we can fulfill.
Youth Representative - Hannah Donlan	No report.
At Large – Nancy Pisanick	No report.
Sue Swope: Some Afterburner volunteers are not excited about it, due to the disrespect and behavior issues. They will volunteer, but not happily. Pastor Dave: We need a volunteer orientation or roundtable. We don’t want volunteers to feel dread or fear. Sept. 4 is the first afterburner.	
New business	Justine: There was an FNB bank error. Checks from a rental of Justine’s have been delivered to the bank but have gone missing. A check for “526 Property Management” went into Zion’s account by mistake. This has been corrected. PD - The next meeting will be all about goals, instead of updates. CPC Homework: What do you want to see happen in the next fiscal year for your board?
Old business	Van update: The transportation subcommittee recommends selling the van due to age and condition, selling it before month’s end to avoid inspection. They have been researching replacement vehicles such as a 15 passenger van, but are not recommending a purchase at this time. They continue to pursue dealer interest in purchasing our van, selling by end of August, and renting a vehicle for a late fall retreat, using the rental to evaluate how it works out. Some places don’t want to buy the van. There was one quote of \$3000, which is low. Motion to give subcommittee license to sell van - Chuck John 2nd. Approved. Rick will be back beginning of September.
Lord’s Prayer Adjournment: Go in peace to love and serve our Lord!
